

Position: Registered Architect

Location: Pierre, South Dakota

Minimum Qualifications

Candidate must be a Registered Architect with NCARB certification, having experience in design and construction of commercial and residential buildings. Candidate must be proficient with AutoCAD, REVIT, and writing specifications.

Primary Office Responsibilities

Brosz Engineering is looking for a Registered Architect that will be responsible for all aspects of a project.

This position requires skills applicable to all phases of the Architectural profession. Duties will include drafting, increasing planning and design responsibilities, management of the bidding process and construction administration services.

Candidate must be able to demonstrate strong communication and organizational skills required to work with other staff and outside consultants. Candidate must also be willing and comfortable participating in company marketing efforts.

Work Conditions and Schedule

General work schedule is Monday-Friday 7AM to 5PM. Local travel and occasional overnight stays may also be required.

Reporting Relationships

Registered Architect will report to the Senior Architect.

Salary and Benefits

Salary will depend on experience. Company benefits include family health care, company match to 401k, profit sharing, long term health care, paid vacation, holiday and sick leave.

How to Apply for this Position

Applications for this position should be sent to: Human Resources Director, Brosz Engineering, Inc., 109 South Main, PO Box 357, Bowman, North Dakota 58623 or can be emailed to Human Resources at hr@broszengineering.com
